

ADA Complaint Form

Passed by Congress in 1990, the Americans with Disabilities Act (ADA) is the nation's first comprehensive civil rights law addressing the needs of people with disabilities, prohibiting discrimination in employment, public services, public accommodations, and telecommunications.

The Americans with Disabilities Act (ADA) is an important federal law that addresses the rights of persons with disabilities in employment and transportation. The transportation provisions are important in increasing the independence of persons with disabilities by improving their mobility. Greater Dayton RTA complies with the ADA, Department of Justice and the Federal Transit Administration and requires that all employees do so as well.

Please provide the following information necessary in order to process your complaint. Assistance is available upon request. RTA will respond to all complaints, including ADA within three (3) days and resolve within thirty (30) days.
